Furnishing Happiness, Creating Memories:
ALTamimi, Where Quality Meets Elegance

1969: FOUNDING YEAR

lTamimi Furnishings, with a heritage dating back to 1969, originated with the establishment of its inaugural branch, Desert Furniture, situated in the Deira region. The choice of the name "Desert" was inspired by its deep ties to the rich heritage of the Emirates and the historical significance of commercial caravans. Evolving with the times, the group embraced a new era at the turn of the millennium, leading to a rebranding as ALTamimi Furnishings, a strategic move aimed at fostering growth.

2010: DESERT ESTABLISHMENT ERA

In 2010, the Desert Furniture Factory was ceremoniously inaugurated, marking a significant milestone and renewing the brand's association with the desert. Throughout the subsequent decade, ALTamimi Furnishings continued its expansion, introducing Double You to the market—a dynamic destination offering a diverse selection of furniture and curtains.

2022: COMMENCEMENT LEAP

The year 2022 witnessed a pivotal moment with the unveiling of ALMumaiz Furniture, the fourth branch, symbolizing a commitment to excellence and uniqueness within the realm of decoration and furniture. This latest addition further solidifies ALTamimi Furnishings' dedication to providing unparalleled offerings and maintaining its status as a leader in the decoration and furniture sector.
